

Code Red: Could Terror from Within Cause an American Chernobyl. You Be the Judge (Paperback)

By Jerry L Strnadel

Createspace, United States, 2010. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a true story concerning a Contract Security Force protecting a commercial Nuclear Power Plant and the adversities they were challenged with from within. In 1992, this nuclear plant was ordered to be temporarily shut down by the United States Nuclear Regulatory Commission. In this case, they had found the present management was only interested in bringing in the profits, but not spending enough on necessary repairs to keep the plant operating in a safe and reliable condition. The Power Company s corporate executives replaced the existing management with people who were dedicated to making the plant a World Class Operation. Little did they know, there was another problem lurking in the shadows, and this is what this story is about. It is the hard hitting, simplistic truth, about what I fear, is happening in many of our nuclear plants across America. No information will be revealed which would aid terrorism whether it would be foreign or domestic. Read the real truth about Nuclear Security from someone with over twenty years of experience. Read the facts on...
