

Beavers for Kids - Amazing Animal Books for Young Readers (Paperback)

Filesize: 6.83 MB

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Trapping Beavers Get this book at this special price exclusive to the Amazon Store. 1. Facts About Beavers Beavers are herbivores and primarily nocturnal as they are more active at night. They have weak eye sight but make up for it with strong hearing and sense of smell. They are semi aquatic but tend to be slower while on the ground. There are two known species of beavers around the world, the North American beaver and the Eurasian beaver both of which interestingly enough never mix with each other. The young ones of beavers are called kits during the first year and yearling during the second. They are social and live in colonies of several beaver families. A typical beaver family consists of a male and female with around 2 to 4 kits. The Canadian national animal, beaver is also depicted on their five...
