EARTH REVEALING - EARTH HEALING: ECOLOGY AND CHRISTIAN THEOLOGY (PAPERBACK)

Michael Glazier Inc, United States, 2001. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. The damage human beings are doing to the atmosphere, the seas, the rivers, the land, and the life- forms of the planet is extreme and deadly. It constitutes a crisis that demands all of humanity s wisdom, ingenuity, and commitment. The whole human community needs to be involved in the response to this crisis- young and old, women and men, farmers, politicians, gardeners, teachers, planners, scientists, engineers, artists, builders, cooks, and theologians. In Earth Revealing-Earth Healing, the authors attempt to make clear the way in which Christian theology opens out into a theology of Earth revealing and challenges us towards a practice of Earth healing. Earth Revealing-Earth Healing offers a rethinking of theology as a significant part of the rethinking that the human community must do in its stance toward creation. Aware that some theological attitudes have contributed to exploitative attitudes and to disregard for the good of the planet, the contributors are also convinced that the biblical and theological tradition has resources that can be retrieved and developed as an ecological theology. Such a theology can contribute to the healing of our planet.
