Brand New Book ***** Print on Demand *****.Max Brand writes great classic westerns and this is one of them. It s a tale of a big, strong but gentle man, Bull Hunter who means no harm. Bull learns life s lessons well as he travels away from his abusive relatives to enter the real world. Along the way he befriends a renowned gun fighter who takes him under his wing and trains him in the ways of a fast gun. Never losing his gentle manner and ways, Bull can t help but make new friends along his journey. But there are foes who want to end Bull s life. They find Bull a tough man to beat. The story glides along well with good characters and a sound connection between man and elements. This is one of the most enjoyable Max Brand tales he wrote.
