Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this modern time where the economy has been such a challenge for everyday people like you and me to keep up, its easy to get into credit trouble when your credit bills begin to stack up. So if you are in the position to just start learning the ropes of the world of credit cards, there are a lot of things you can do to avoid credit card debt before it sneaks up on you and keep your nose clean, as they say. This is an outstanding goal for you if you are just getting your first credit cards. If you know or talk to anyone who is battling tens of thousands of dollars of credit card debt, you know what a jail sentence it can be. Once that credit card debt gets that high, the time it will take even under the best of conditions to bring it down runs into the years if not decades. And for all that time, thousands of dollars of money goes down the drain to credit interest that doesnt buy you any food, tickets to the movies or new clothes. It just goes away with no value to you at all. But if you are new to the world of credit, getting a credit card is a good thing. But once you get one, keeping it under control is job one. You will find it amazingly easy to use a credit card once it comes. In fact, the retail world makes it difficult to conduct transactions any other way. You can pay for gas at the pump that way and even charge your groceries at the grocery...
