Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Bob Harris first became known as the face of the 1970s live music TV show The Old Grey Whistle Test and his infectious enthusiasm for music and ability to discover new talent has seen him become a national treasure. He continues to be a household name today and his velvety voice can be heard on Radio 2 s The Bob Harris Show and Bob Harris Country. In this fully revised and updated autobiography, with a forward by Robert Plant, Bob tells his story of over 40 years of broadcasting with the BBC, from the young, passionate music fan who moved to London determined to make music his life, to being presented with an OBE for his services to music broadcasting. Much like his musical heroes, Bob s personal life has had somewhat of a rock n roll vibe: he has been married three times, gone bankrupt, fought cancer, weathered a very public spat with a fellow DJ and has had to revamp his career four times. Throughout all these times, however, his love of music and talent for broadcasting has endured. The Whispering Years is a frank, vibrant and inspiring tale of one of the most influential names on the radio and reveals the story of the man behind the voice. Known affectionately as Whispering Bob due to his softly spoken voice, Bob Harris has worked in broadcasting since the 1970s, when he was the face of the live music show Old Grey Whistle Test. He co-founded Time Out magazine, has written books, newspaper articles and magazine columns, produced records and worked with some of the biggest names in music.
