For the greater part of the time his work has had so little recognition, that one marvels at his courage in going so steadily on with it. His Pomegranates have been produced year after year, decade after decade, in unflinching abundance; and, while critics have kept paring at the rind, and the general public has not even asked if there was anything beneath it, he has laboured on with unremitting energy, calmly awaiting the time when the heart within, blood-tinctured, of a veined humanity, should be at length discovered. It can scarcely be said, even yet, that that time has come; but it is coming fast. Already he is something more than the poet's poet. Few intelligent people now are content to know one of the master minds of the age simply as the author of The Pied Piper of Hamelin, as if that were the only...
