Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Cerise is not a witch. She s an apprentice herbalist whose father is a wannabe warlock and fairy godmother is a madame. But Cerise has a closely guarded secret - the cherry lip-stain she manufactures and sells to the richest and most powerful women in the land is a potent aphrodisiac that makes the wearer irresistible. Of course, with such power comes responsibility, something Cerise did not consider while she was testing each batch of the product on the men of her hometown. Soon, word of the magical make-up reaches the childless Queen Merewald, and she becomes determined to uncover the secrets of the lip-stain herself and use them to seduce her ageing, impotent husband, King Palen. Her best chance is to send her feline brother-in-law, Blaxton, to befriend Cerise and spy on her. What the Queen didn t count on was her nephew falling for Cerise without the use of magic or her niece using their jester as bait to uncover the secrets before she did. Cherry Lips is a chick-lit fairytale about a medieval amateur cosmetologist, a nymphomaniac witch, a kinky jester, an unconventionally handsome prince, a wizard with magical healing powers, a castle made of sand and crystals, magical lip-stain that makes the wearer irresistible and cats. Lots and lots of cats. The sequel is due for release late 2015.
