

Un Paradigma Cuantico: Interaccionismo Arquetipico En La Espiritualidad Agustiniana (Paperback)

By Fr. S A Rye O, Sa Fr Gary Charles Rye O

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.The Dominant of this study is: summaries of theories of the social, psychological, theological and quantum sciences, especially concentrating on archetypal field theory and Augustinian spirituality and their connection with Quantum thought, are presented, with a view toward articulating a holistic view of reality and the pressing need to move toward more collaborative ways of being. Our world, its cultures, people and institutions are finding the patriarchal paradigm no longer adequate for our time. In fact, this paradigm is doing great damage to the planet and its people and their creations due to its ethos of domination and control. Gradually a new paradigm is coming to the fore, one that can be called quantum because it tries to take all reality into account, and because fundamental to this paradigm are archetypes, which by analogy behave similarly to sub-atomic entities. The contrast between and implications of two different mindsets, Newtonian and Quantum, are also central concerns of this paper. The author has an interest throughout this study in investigating the unseen, the backstage aspects of the material and human...
