## CHEESE BISCUITS: A MEMOIR: BOYHOOD ADVENTURES IN COASTAL NORTH CAROLINA (PAPERBACK)

Nearly everyone who has entered adulthood thinks back on their childhood experiences with strong reflection, whether positive or negative. For those wanting to share fond memories with their families to be passed down through generations, they recollect an earlier time with relatives long since passed, and the many experiences during a time of innocence. Cheese Biscuits is such a book, filled with memories of a young boy growing up during the 1950s and 1960s, and spending summer vacations and holidays on his grandparents farm in rural North Carolina. This intriguing non-fictional account of the author s childhood offers many tales of living on the farm with very few modern conveniences. It lovingly demonstrates the value of family as they worked to sustain their livelihood by raising their own food, cultivating heat in the winter, working the land, and enjoying close relationships with relatives, neighbors and friends. The story relays a variety of tales from adventures on the water to both chilling and sentimental encounters with all types of animals, wild and domestic. Each chapter is an intriguing insight into life after WWII when technology was basically non-existent, and the ways in which families found the richest rewards was in time spent with each other. This manuscript is guaranteed to bring back memories for those who longingly recall the days of youth, and relatives who still remain in their hearts.
