Brand New Book ***** Print on Demand *****.Read the first 55 pages free at: // living with From the author: Out of spending many years camped in remote regions and in all climate conditions, I have yet to find a good book that covers camping in extreme cold, hot or wet conditions with the information in one easy to read book. Sure there are some good survival books out there, but there is a big difference between survival, and camping and hiking for the sheer pleasure of it. Over the years of having lived outdoors, I have had the wonderful opportunity to experience some magical areas. I ve lived outdoors in the islands of Hawaii, The California Coast and in the inlands such as the Pacific Northwest.It was during these many exciting years that I learned the art of co-existing comfortably during all 4 seasons and during all weather conditions. Book Summary: Written by a seasoned hippie from the west coast of the United States, this book makes it possible to comfortably camp in rain, desert or snow. It just takes the right information and planning. This unique book makes a great survival book for military, boy and girl scouts, outdoor rescue departments or any outdoor enthusiast. At the end of this book, you can find a meal budget where you can enjoy meals high in protein and nutrition that cost less than \$150.00 a month to live on. You can also view the images and illustrations needed for you to make your own LampStove for under \$10. his book is a summary of the many valuable tips, tricks and techniques I learned along the way. It not only makes one living with nature more...
