At night, Isa Uliac lays down her scythe and dances by the fire, her reward for long hours in the fields. The land of June never changes - until the Remi come. These strangers solve problems that should have taken years to unravel. Soon they build roads through the fields and demand tribute. The people of June no longer dance and sing. When the Remi nearly kill Isa s brother, she knows that she must act. She sets off for Cantium, an old ally of June that no one has visited for generations. Only this legendary kingdom could defeat the Remi. But Cantium isn t what Isa expected.
