

## Frame Reflection: Toward the Resolution of Intractable Policy Controversies

By Donald A. Schön

Basic Books (AZ). Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.5in. x 5.4in. x 0.6in. Why are controversies about such issues as abortion, welfare, persistent poverty, and environmental destruction so intractable? As anyone who has ever engaged in or tried to settle an argument on highly charged issues knows, facts rarely persuade in such situations. This innovative approach to intractable policy controversies shows how reframing the issues can succeed where simply appealing to facts often fails. In *Frame Reflection*, two of his country's leading organizational theorists and policy analysts show how disputes that in abstract debate or negotiation seem insoluble can sometimes be resolved pragmatically by those who actually have to design and implement the specific programs. The authors illustrate their theory through a detailed examination of three specific programs: the evolution of early retirement programs in Germany; a statewide project for the homeless in Massachusetts; and the development of Project Athena, a large-scale experiment in the use of computers in undergraduate education at MIT. Policy stalemates are inevitable. Yet we know that people sometimes do change their minds, even in situations that at first appeared hopeless. How that happens is the subject of this pathbreaking book. This item ships...

### Reviews

*This is the very best publication we have read through right up until now. It is one of the most incredible books we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Miss Celia Volkman**

*This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom. You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).*
