Audubon Birdhouse Book: Building, Placing and Maintaining Great Homes for Great Birds (Paperback)

By Margaret A. Barker, Elissa Wolfson

Motorbooks International, United States, 2013. Paperback. Book Condition: New. 278 x 214 mm. Language: English . Brand New Book. A visit to almost any home or garden center presents birders with numerous cute and colorful contraptions that are sold as bird homes. But the fact is, many of these products provide anything but a safe refuge for your feathered friends. Produced in association with the National Audubon Society, Audubon Birdhouse Book explains how to build and place functional DIY bird homes that are safe and appropriate for more than 20 classic North American species, from wrens to raptors. Each of the easy-to-build boxes and shelves within is accompanied by cut lists, specially created line diagrams, and step-by-step photography, making the projects accessible to those with even the most rudimentary woodworking skills. In addition, this practical and beautifully presented guide is packed with color photography and information about the bird species covered including titmice, chickadees, nuthatches, phoebes, swallows, waterfowl, and even kestrels and owls to help the reader properly place and maintain the homes to attract birds. And because these projects are the product of years of experience and field-testing, you can be sure you're getting the best advice regarding proper...
