the Nature of God

By B. B. Dandekar

2014. Hardcover. Book Condition: New. 151 About the Book, This book is a rationalist attempt to resolve the conflict between evil and meaning and purpose to the Universe. It examines the scientific evidence, and with deduction, logic, and sound reasoning, it sets forth a revolutionary concept of the nature of God. As Sherlock Holmes once said: when you have eliminated the impossible, whatever remains, however improbable, must be the truth. God is not on trial! The book neither defends God nor prosecutes him; the reader is not the jury. In the end each thinking of the book, must examine the evidence as presented, and draw his or her own conclusions on all of the issues that are discussed: Does God have free will or just a decision-making capability? but did this also give rise to the very first emotion in organisms fear? Is compassion the highest morality? Is life a work in progress? When compassion becomes instinctive will evil disappear? When it all ends is resurrection scientifically possible? Because it is the answers to all of these questions that truly determine the nature of God., About The Author:- , Bezaleel Solomon Benjamin (Dandekar) was born in Anad, Gujarat, India, in 1938, the fourth...

Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

-- Prof. Jedediah Kuhic DVM

It is not difficult in go through easier to understand. It normally fails to price too much. I am very happy to inform you that this is actually the greatest ebook i actually have read through within my personal lifestyle and can be he best publication for ever.

-- Miss Ebony Brakus IV
