

Real Project Management: The Skills and Capabilities You Will Need for Successful Project Delivery (Paperback)

By Peter Taylor

Kogan Page Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. Real Project Management takes an in-depth look at the challenges we face in running projects in today's complex and global environment. In this groundbreaking work, leading specialist Peter Taylor examines issues such as the complexity of projects, the virtual nature of projects, executive sponsoring, benefits management and international dilemmas integral to completing a project or programme on time and within budget. Supported by the experiences of project managers around the world and relevant insights from a series of surveys commissioned by the author, with examples and case studies covering the strategies they are using to future-proof their projects, and tips to help you achieve and maintain success, Real Project Management will provide you with the tools you need to boost your skills portfolio and tackle head-on the challenges that projects and programmes present. These include: making effective use of new communication tools; managing projects with virtual teams; time management and how to do more with less; finding and connecting with effective project sponsors; connecting projects with business strategy; managing a multi-generational project team, and staying in control. Real Project...
