AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, the reader is introduced to the concepts of politics, government, political theory and political culture with reference to Cameroon. Defined as a network of concepts and generalizations about political life involving ideas, assumptions and statements about the nature, purpose and key features of government Political theory systematically thinks about the values that inform political life - values such as freedom, equality, justice, nationalism, secularism, development etc. It explains the meanings and significance of these and other related concepts by focusing on some major political thinkers, theologians, kings, economists, sociologists, popes etc of the past and present. It also examines...
