USA FIRST LINE OF DEFENSE NEWS MEDIA HAS LOST ITS WAY, HOW SAD. I remember as a young teenager back in the late 1950s learning about propaganda and how the communist kept their citizens ignorant from true facts. I felt how blessed we were in America to have a free press that could always be trusted with: just the facts maam, just the facts. Well, I can only speak for myself and think for myself, But, in my view the liberals and Dems are far better propagandist than the communist ever were. They just flat out refuse to stand up and face any blame for this nation destroying insane Obamacare disaster that have been forced upon this great nation, we may not even financially survive it. Yet, they are fixing to try and place blame for it anywhere other than themselves, we are a forgiving people, man up for once. Thank God we have a counterforce against the liberals and Dems thrust. Otherwise, this administration with its bratty liberal news media cohorts riding shotgun would have taken the country into full socialism by now. I think the predominately liberal news media is like a bunch of teenage brats that think they have all of the answers to everything. But, in truth cant see past their noses. This country is 17, 000, 000, 000, 000, 000, 000 in debt and will soon be sold off piece meal to foreigners. And where do you think our first line of defense is at They are at the socialist parade whooping and hollowing it up as cheer leaders while the financial health of the country goes to hell in a hand basket...
