RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 76 pages. Original publisher: Washington D. C. : U. S. Dept. of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, 1996 LC Number: HV9104 . R67 1996 OCLC Number: (OCoLC)36360705 Subject: Juvenile corrections -- United States. Excerpt: . . . for detention practice in the form of policies and procedures, and ( 6 ) a usable handbook of information for Statement of the Problem education and training purposes. Objectives The problems burdening juvenile justice are largely external to the practitioner, except one - professional In addition to helping fulfill the goal specified in the development. Given the intense competition for fixed or Juvenile Justice Personnel Improvement Project, the report shrinking public revenues, staff training to enhance the has specific objectives. Despite the importance of juvenile knowledge, skills, and ability of entry-level and detention training, very little formal information is experienced detention line staff appears to be a cost-available to practitioners regarding juvenile detention effective alternative. training, training needs assessment, and training methods. Staff frequently make reference to unpublished reports or Juvenile detention succeeds or fails as a result of highly studies about job-related skills and training needs. This interpersonal relationships that are established between key unpublished or fugitive literature has not been collected staff members and the youth entrusted to them. The nor evaluated. The first objective is thus to review all such combination of low status and low salaries often forces information that can be retrieved and establish a base of talented people out of juvenile services. The result of this staff development knowledge for juvenile detention. The is high turnover among detention center personnel, which second objective is to synthesize contemporary findings disrupts administration, increases the cost of recruitment about job skills...
