Brand New Book ***** Print on Demand *****.Excerpt from Insurance and Real Estate Accounts: A Working Handbook of Modern Methods of Accounting and Office Routine as Used in the Offices and Agencies of Insurance Companies, and by Dealers in Real Estate Insurance affects the welfare of a majority of the people; practically every man is protected in some way by insurance in one of its many forms. But notwithstanding its universal application, insurance is little understood. The average man looks upon it as a mystery which lie cannot hope to untangle. C The truth is that insurance is based on readily understood mathematical principles, and when these basic principles arc grasped, the operations of the business become as plain as any other business. There seems to lie a well-defined demand for more information on this subject, and it has been thought that a better understanding will result from a study of insurance as a business. ([This book is a presentation of the methods of conducting the insurance business. Without going into unnecessary detail, the principal forms of insurance arc taken up, and the...
