Booksurge Publishing, United States, 2005. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the fifth annual collection of short works by students of Berkshire Middle School (from the 2004-2005 school year). The stories are new, and so are the authors. The focus, though, remains the same as in previous volumes: With genuine effort and attention to the writing process, young authors can produce works suitable for a wide audience. Over a ten-week period, each sixth-grade writer turned a basic premise into a fully-formed story. The changes along the way sometimes surprised even the authors themselves. Stories For Shorties continues the proud tradition of author s craft demonstrated in its predecessors Short Stories by Short People, Who Says Adults Have to Write All the Good Stories?, Got Stories?, and Tall Tales Gone Short.
