By Stephen L. Nelson

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Quicken 2006 For Dummies (3rd Revised edition), Stephen L. Nelson, Maybe your idea of an accounting system is a shoe box that you simply stuff all your receipts and statements in when you shuffle off to see your accountant once a year. Perhaps you wonder where the money goes while you sip your daily cappuccino. Or maybe your retirement planning consists of buying lottery tickets. It's Quicken 2006 to the rescue! America's #1 personal finance software, it helps you balance your bank account, track income and expenses, pay bills, manage investments, plan for the kids' college or your retirement, and more! But merely owning the software won't help you have to know how to use it. With step-by-step instructions and lots of screen shots, this friendly guide shows you how to: install and set up Quicken (or update from a previous version) and navigate using the financial activity centers and QuickTabs; manage personal or small business bank accounts and even print checks; set up and review a "Secret Plan" (the author's term for a budget); track your tax deductions; monitor your income and outgo (with eleven suggested categories for...
