Each chapter addresses one of the essentials needed for the most effective Bible teaching ministry for this age group and also gives strong focus to working with the families of children-single-parent families or families with both parents in the home. Children s Christian Education: 12 Essentials for Effective Church Ministry to Children and Their Families addresses the need for an all-age Bible teaching ministry following or prior to Sunday worship. It also addresses outreach to young families and quality teaching and ministry. It gives help for getting the support of the pastor, staff, and congregation for this age group. The resource emphasizes that all are called-lay teachers and workers as well as the pastor and staff. As servant leaders, the pastor and staff have the unique call and roles to equip laypeople for their call to minister within the congregation and beyond. This book is part of a series that provides the essentials for effective church ministry to all age groups, as follows: Preschool Christian Education; Children s Christian Education; Youth/Collegiate Christian Education; and Adult Christian Education.
