

The Brownstone

By Paula Scher, Stan Mack

Princeton Architectural Press. Hardback. Book Condition: new. BRAND NEW, The Brownstone, Paula Scher, Stan Mack, First published in 1972, The Brownstone is a fun read-aloud story about a family of bears trying to go to sleep for the winter. They move upstairs to the second floor to get away from Miss Cat's loud piano, but then Miss Cat complains about the cooking smells from the pigs that moved into to the bear family's flat. Meanwhile, the kangaroos dancing on the third floor above keep the bears awake. The landlord owl saves the day by working out a space for each animal family to live in peace, undisturbed by their fellow tenants. This warm and funny story, in a revised edition, shows the young reader that you can learn to respect and live with others who are different from you.

Reviews

Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at at any moment of the time (that's what catalogs are for relating to in the event you request me).
