

Deadly Deals

By Fern Michaels

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, Deadly Deals, Fern Michaels, After years of trying to become pregnant without success, Rachel Dawson and her husband Thomas felt their dreams had finally come true the day they brought home their newly adopted twin babies. Though the lawyer Baron Bell who arranged for the surrogate mother charged a hefty six-figure fee, one glance into the eyes of their precious children told them it was all worth it. Until the birth mother reappeared, first demanding more money, then the twins themselves. Suddenly Baron Bell was nowhere to be found, and the Dawsons were once again childless, heartbroken and nearly destitute. When the case finds its way to the offices of high-profile attorney Lizzie Fox, she can't wait to take down the so-called 'Mr. Wonderful'. And she knows she'll have all the help she needs as it's just the kind of crime that really gets the Sisterhood's adrenalin flowing. Once they get their hands on the perpetrators there will be hell to pay, and it will cost a lot more than cold, hard cash.

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
