Mercury House. Paperback. Book Condition: new. BRAND NEW, A Girl with a Monkey: New and Selected Stories, Leonard Michaels, Michaels, one of the most highly regarded contemporary American literary figures and widely read by the discerning public, has long been regarded as a master of the short story. His stature can only be enhanced by this gathering of the best of his previous work as well as new stories, all of them written within the period of the early 1960s to the 1990s. Love and sexuality are the twin themes he continues to mine, and the specific situations he creates to explore these themes pinpoint in the sheerest of prose the absolute truth about relationships. Michael's trenchant, direct, and lyrical style, with not one word wasted, works as a tight springboard for conveying his vast knowledge about why we love who we love. No library's short story collection is complete without this career-defining compilation.
