STINGRAYS (PAPERBACK)

Amicus Ink, United States, 2016. Paperback. Book Condition: New. 251 x 165 mm. Language: English . Brand New Book. All of these animals from the mostly innocent black widow spider to the deadly taipan snake have one thing in common: they use venom, or poison, for defense. Read about how these poisonous animals survive in their natural habitats and what part they play in the food chains and ecosystems in which they live. The question and answer feature throughout the book promotes reader inquiry, while the list of resources encourages further research and learning. This photo-illustrated book for elementary readers describes the venomous stingray. Readers learn how these ocean animals use the stinger on their tails to defend against predators. Also explains the threat of these stings to humans and what to do when they are encountered.
