## **LABORATORY DIRECTIONS FOR BEGINNERS IN BACTERIOLOGY: AN INTRODUCTION TO PRACTICAL BACTERIOLOGY FOR STUDENTS AND PRACTITIONERS OF COMPARATIVE AND OF HUMAN MEDICINE (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Laboratory Directions for Beginners in Bacteriology: An Introduction to Practical Bacteriology for Students and Practitioners of Comparative and of Human Medicine The call for a second edition of these Laboratory Directions has come in such a short time that many of the difficulties encountered in the preparation of the first edition still remain. The choice of subject-matter and the selection of methods for a short elementary laboratory course become more and more difficult with the rapidly increasing developments in bacteriology. The recognized etiological importance of a number of bacteria which formerly were considered of little significance necessitates, for the best results, an extension of a knowledge of bacteriology beyond the differential characters and properties of a few pronounced pathogenic species. Experience with the first edition has clearly demonstrated the advantage to both student and teacher of specific directions for a working basis in carrying out the various procedures in a laboratory course. The exercises have been considerably modified, four new ones added, and a few references appended for the purpose of aiding students in familiarizing themselves with the current literature on the subject. In revising these exercises new text and reference books have been freely consulted. Valuable suggestions have also been received from a number of teachers and investigators. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
